

The UIC Postdoc Association & Graduate College

invites all postdocs/graduates to attend

Giving a Dynamic Research Talk

Dr Cynthia Fuhrmann

Dr. Cynthia Fuhrmann is the is Assistant Dean, Career & Professional Development in the Graduate School of Biomedical Sciences at the University of Massachusetts Medical School (UMMS). Recently, she co-authored and coordinated development of myIDP (<http://myIDP.sciencecareers.org>), an interactive career-planning website launched in 2012 by Science Careers with funding from AAAS and the Burroughs Wellcome Fund.

Tuesday 25th June 1:00 - 3:00pm

MBRB Auditorium

Come and meet Dr. Fuhrmann from 12noon in the foyer of the MBRB followed by a 90-minute workshop with 30minutes for Q&A
